

August 2017

Dear Parents and/ or Guardians,

My name is Mr. Elkin and I will be your child's teacher this term. This is my second year at Lasalle Community Comprehensive High School, and I really couldn't be more excited to be back. I look forward to getting to know both your children and you, their parents.

I'm looking forward to teaching your children better ways for them to improve their academic skills, and helping them to develop into responsible, confident young adults. My goal for this year is to provide a positive and exciting learning experience for your children, and to present them with a safe and stimulating learning environment.

It is important to me that the classroom environment be conducive to learning. It is for this reason that I do not allow iPods, phones, or food in the classroom. It is important that your children arrive to class on time with the appropriate materials that they will need. Students will have workbook/homework checks throughout the term, and there will be a penalty for incomplete work. Evaluations will be based on completed homework, assignments, quizzes, and tests.

Students are expected to write their homework in their agendas. You can also check if your child has homework at www.mrelkinswebpage.weebly.com. Each group will have its own heading complete with homework, upcoming quizzes and tests.

If you have any question or concerns, please contact me at jelkin@lbpearson.ca, and I will write back to you as soon as possible.

Respectfully yours,
J. Elkin
